Our 19th Year of Boating Fun

Homestead Yacht Club General Meeting is held at the Redlands Golf and Country Club the first Monday of each month. To keep members informed, the minutes are published in our monthly newsletters

FROM THE COMMODORE:

Our hearts and thoughts go out to George McDermot and his family, his mom passed away last week after a long illness.

Hurricane season is looking like a "Skeet shoot" out there, we now have our fifth storm, Emily, and it's very early in the season. We have been very blessed and let us hope it continues.

We have some club members in the Bahamas and Exumas so we will be glad to see them arrive home safe.

As you know our June event had to be cancelled. George and Annabelle McDermot volunteered to host a "Fish Fry" in July, however, their planned vacation was delayed so they won't be back in time to make all the arrangements. Thank you, George and Annabelle, for volunteering to host another event for the club this year. Thanks to Derek and Anna Boos who volunteered to help the McDermots.

Our next function will be Miami Beach on August 12, 13, 14. Larry and Sharon Roesch have volunteered to host this event for the club so put these dates on your calendar and they will give more details at the August General Meeting.

EVENTS

Miami Beach, Miami Beach Marina: August 12, 13, & 14. Larry and Sharon Roesch have volunteered to host this event for the club. Twelve slips have been reserved for HYC. Each club member is to contact Miami Beach Marina and make their own reservations for the Homestead Yacht Club reserved slips. Any members willing to volunteer to help with this event please contact them. More information and details at the General Meeting and next month's newsletter.

Hawk's Cay – September 2-5 (Labor Day). Bill and Linda Clemons are hosting this event for the club. Any members willing to volunteer to help with this event please contact them. More details at General Meeting and next month's newsletter.

LOST & FOUND

It occurred to me that sometimes we loose items at our events so this might be a place where we could locate missing items or find their home. Please contact Newsletter Editor with any missing or found items.

LOST: Corel plate, white with blue trim. Missing since non-event gathering at Boca Chita. Charlene 305.232.3436

LOST: Gold & Diamond bracelet. Lost at the docks 7/10. Charlene 305.232.3436

FOUND: Green fabric table cloth. From the Card Sound Event. Contact Charlene 305.232.3436

MINUTES

Thanks to Claire Strandhagen for taking these minutes in the absence of Secretary Dawn Kressly.

Minutes of meeting Homestead Bayfront Yacht Club June 27, 2005

Meeting called to order by Commodore Charlene Powell at 7:30 p.m. There were no changes or additions to the minutes of the last meeting published in the newsletter. Said minutes were accepted.

Treasurer's Report....Sharon Roesch is out of town. Commodore Powell read the report....opening balance of \$5,319.72, 50/50 was \$41.00, ship's store showed income of \$25.00 and expenses of \$231.48 for an ending balance of \$5,153.74.

Committee Reports: No news from Membership, Park Liason or Roster. Ship's store urges us to BUY, BUY, BUY. Jan Mayer reports that she is doing well and thank you for our good wishes. It was reported that Aida Geronimo is home recovering from an appendectomy and the club will send flowers.

Good job to Suzie Snipes and Caroline Pinderton for their work on the telephone/meeting calls. Web master not in attendance so nothing from Larry.

Annabelle let us know that she is getting a new computer which should solve the virus problem and we thanked her for mailing us the last newsletter.

Events: July 24th, possible fish fry at the pavillion, George and Annie sponsoring still need a co-sponsor....we'll let you know.

August 12 - 14: Miami Beach, still need a sponsor but Commodore will plan.

September 2 - 5: Hawk's Cay: Sponsors Bill and Linda Clemons...Bill reports that he has twenty slips reserved. The cost is \$3.50 per foot. He checked with the Pilot House Marina in hopes of getting us a better price but it is being sold. He also reported that the Mariott was available but the members are still interested in Hawk's Cay. Bill advises that you must call Hawk's Cay by the end of July with a credit card in order to reserve your slip. Let them know you are with Homestead Bayfront Yacht Club.

Marlins Tailgate Party: Bill Zinn indicated that 14 members indicated an interest at the last meeting, however, no date is available at this time.

Our friendly dockmaster Steve attended the meeting and reports on the following:

Be sure you have your stickers on your vehicles. Park personnel will be looking for it when they escort marina patrons through the gate during such busy times as the upcoming 4th of July weekend. Mosquito control is constant. They are spraying every day. Blister bugs are almost gone...FYI... hornet spray kills them. Check your dock lines.....big winds coming up and park personnel check our boats every day to be sure they are secure. Steve reports 44 lbs. won \$5,000.00 at the County fish fry. He is still checking with Immigration with reference to

clearing boats at our marina when returning from the islands....he'll let us know.
..and last but not least....dock boxes not conforming with regulations will be removed. Steve responded to member inquiries about derelict boats and/or dinghys sinking at docks....his people are attempting to have the owners deal with it....

No 50/50 at this month's meeting.....oops.....Charlene reminds us all to lock gates, continue to be friendly and involved.

Meeting adjourned at 8:22 p.m., motion made by Ted Newlan, 2nd by George McDermot
