Monthly Meeting Reminder

The next HYC monthly meeting will be on May 2nd at Capri Restaurant

Editor's Notes

Wow, a wanted poster...think we are getting desperate for new members? Actually in the case of the Pacheco's, they have been to and helped at many of our events and it was felt that some good natured ribbing may convince them to finally join the Club. But hopefully the poster will remind us all that we can always use more members.

Earlier this month I received a notice that the Park Service will soon be releasing another draft of their proposed General Management Plan for Biscayne National Park. In order to save some trees (300 plus pages) they are offering to send copies on a CD. Of course, this plan is in addition to their Fishery Plan and their Buoy and Marker Plan. After the plan is published, there will be another round of public hearings...stay tuned.

Minutes of April Meeting

Meeting called to order by Cmdr. Dave at 7:00 p.m. on April 4, 2011. First meeting at our new place Capri Restaurant.

First order of business was the presenting of new member Karen Sutton with a burgee. WELCOME.

Treasurer's Report: Presented by Dee Riley. Opening balance of \$5,289.96, closing balance \$5,081.02. Full report appears elsewhere in the newsletter.

No news from the sunshine committee so, hopefully, all is well.

The breakfast was a great success. 24 members attended. Thanks to Liz and Billy for all their hard work. Dave and Anna, Bob and Lucia had everything planned and cooked to perfection, not to mention served to perfection as well.

Buz, Park Liaison: Three new boats in the marina, construction is three months behind and nothing else new to report. Thanks to Larry Roesch for his help in replacing light bulbs on the docks. It was mentioned that the new construction is the result of grant money.

Dwayne Powell reported on the April event. It is scheduled for Saturday, April 30th. He has two boats so far and plans to put eight people on each boat. He says he needs another boat, so, if you are interested please let him know. Bob Deane will meet his group at 10:30 a.m. at Homestead Bayfront and Peter Dean will meet his group at Blackpoint Marina. Cmdr. Dave suggests that individual members should offer to kick in something for gas as the club will not be offering the captain any money. Plans to meet that evening at Blackpoint Marina for dinner are in the works.

May/June: Need an event. Sonia Espineira suggested Coconuts in Key Largo and will get back to us on possible dates in May.

Cmdr. Dave mentioned guests Louis and Donna Pacheco, his neighbors, who have helped out on several occasions. He would like to ask everyone to call them and ask them to join. Hopefully, this will not result in a protective order for stalking.

50/50 won by Peter Dean. Meeting closed at 8:15 p.m.

Respectfully submitted, Claire Strandhagen, Secretary.
