Our 33rd Year of Boating and Social Fun

April 2018

Hi Everyone.
Happy May Day

Thank you to Dave for organizing the lunch at The Hideout Restaurant in Key Largo on April 21. Larry and I missed this outing, but the pictures show fun was had by all. Dave gave a tour of the Key Largo Under Sea Park. Thanks again, Dave!

The Bahamas Cruise on May 18 for 3 nights is coming up. We have 7 couples going and we are planning to have a Royal Wedding breakfast for the ladies on Saturday May 19. Fascinators and Pearls are required.

In June, we will have a pool party hosted by Neil and Cindy Burell at their home on June 9. Food and lawn games are planned. More info to come.

July and August are our raft ups at Billy's point hosted by the Deans and Adams. This is scheduled for the third Saturday of both months. And September is a trip to the Deering Estate on September 15 planned by the Casanaves. Lunch will follow the tour.

Ted Newlan is still in the hospital. He is improving and loves visitors and cards. Please call him or Dee ahead of a visit to confirm day and time so this will not conflict with his treatment. He has been working with a Physical Therapist and has begun walking some. Please keep him in your thoughts.

Hoping to see all of you at the next meeting May 7 at the Capri. Please respond to Linda's email promptly.
Until then, Smooth Waters

Until then...Smooth Waters, Sharon Roesch

From the Editor:

Below is a picture sent to me by Linda Wood. Not sure who took it, but it was a great picture of the group. I am not sure if Al knew that the shark was trying to eat his belly. Sorry we missed it, but we were on Cruise to see the Panama Canal. If you haven't been there it is sure something to see. From there we went to Columbia looking for Juan Valdez. Never actually seen him, but we did go to a coffee plantation in the mountains which was quite interesting. The trip up the mountain was wild just to get there. We did see some coco bushes and trees and was told they were a key ingredient of cocaine. We then sailed on to Aruba, St Bart's, and Key West. We missed having Ted and Dee with us as they have been so many times. Our cruise was the last leg of a 114 DAY World cruise. Neither of us could imagine being gone that long.
