Our 19<sup>th</sup> Year of Boating Fun

*Holiday Greetings to all our HYC Members, family and boating friends.*

May the wind fill your sails, may the price of gas and deasel go below \$2.00 per gallon, May the seas be calm when you are out on the water, May the bottom be sandy when you drop the hook, May the worms not stick to your hull, May your liquor cabinet never run dry, May your boat maintenance bills not send you to debtor's jail, May your friends visit if you do, May you catch fish each time you use your rod and reel, May all your boating days not be spent at the dock... Most of all, may all your boating days be safe, fun filled, problem free, and with a great regard for the beauty that has been provided by a higher power for us to enjoy and keep clean for the boaters who come after us – our children and grandchildren!
