Our 32nd Year of Social and Boating Fun

December – January News 2017

Commodores Corner:

Greetings from Michigan! It's 16 degrees and not much snow. I understand that it has been cold in South Florida too. Larry and I will not be at the February Meeting, but past Commodore Dave will carry on in my place.

Here we are starting another year with HYC. I have had great volunteers for upcoming events this year. We still have 3 months to fill and hoping someone steps up at the next meeting.

It was a successful Commodore's Ball in January. Thanks so much to Monica and Chip for professional photos of all members present. They will be shown elsewhere in this newsletter and also may be viewed on our website.

We have a Chili and Dogs lunch hosted by Jim Russell on February 18. He would like to do this at his home depending on attendance numbers. If not we still have the pavilion at the marina booked for that day. More info at the Feb meeting.

In March, Karen and Linda are hosting lunch at Shipwrecks in Key Largo on Mar 18. It's always a fun time there. I sure Linda will give particulars at the meeting.

We are off to a great start thanks to members like you contributing.

See you all at Jim's Chili and Dogs. This is his first event ever. Let's give him our support.

Smooth Waters!
