### **Commodore's Corner**

Well it's a New Year and a new Bridge and I hope that we can live up to the old Bridge. As we settle down to a normal routine, I just want to again thank the outgoing 2002 Bridge for a job well done.

For all the HYCers that didn't get to go to the Change of Watch, you missed a rip roaring good time and for all that went, I hope you have recovered. Special thanks go to Larry and Sharon Roesch for the entertainment and to all the people that helped with the decorations and everything else.

Now on to new business, I am including the plan of events for the year in this Newsletter. If you see anything that you would like to volunteer to help with or you have something that you would rather do, Please let me know. There have been a few changes since it was first conceived, so look it over. The event for February will be the 22nd and will be at the beginning of C dock, and we are going to ask that every one bring either a side dish or dessert. The main course will be Jambalaya New Orleans. So until then may your seas be smooth and your winds light.

Commodore Bill

### **Editor's Note**

With the start of the new year, there have been numerous exchanges between myself and the membership and telephone Chairs, trying to make sure that our membership lists, email lists and telephone contact lists agree. Not surprisingly, we found several discrepancies and hopefully now have everything corrected again. Please remember to let Elisa Prats (305-270-1527 or Eddyely@aol.com) and me (305-247-8782 or sunbil@aol.com) know if you change any of your contact information. Thanks. Bill Zinn

### **Next Club Meeting**

The next monthly HYC meeting will be on **Monday, February 3rd** at the Redland Country Club. Menu will be your choice of Chicken Breast or 8 oz Strip Steak (smothered in onions or peppers), with all the trimmings and dessert. Make your reservations with Elisa Prats.

**MEETING SPECIAL: Big Inventory reduction SALE on Ship's Store items.**
