Our 30th Year of Boating Fun

To all HYC Members and Friends:

We want to thank Neil & Cindy for the great Valentine's Day event at their home. As usual, plenty of great food and company. The weather cooperated and most of really enjoyed the campfire. And of course our resident DJ Larry kept the tunes coming. It was great seeing out newest members John and Monica Adams at the event. Speaking of events, we will be discussing future events at the next meeting. We are looking for some volunteers to host something. This is your club so raise your hand and let's have another great year!

Our next meeting will be at the Whistle Stop on March 3rd. Please respond with your dinner choices when you get the email from our new call girl, Linda Wood.

The kitchen has requested that we give them a specific time to start dinner service so that they may properly prepare our dinner without over cooking things like veggies and shrimp. The below schedule has been suggested by our call girl Linda and this is what we will go by. If anyone cares to discuss changes, please bring it up at the meeting:

Social time starts at 6:30pm.

**Our meeting starts at 7:00pm and dinner will be ready
at 7:15pm.**

From the Editor:

Hey everyone! According to my quasi accurate calculation we are, or should be celebrating **30 years** as a yacht club. In order to commemorate that maybe we should get out on the water together and take a cruise to Bimini on the **Resorts World Fast Ferry**. They leave on Friday night and Come Back on Sunday Morning. Everyone could go and either stay on the ship or stay in a villa. Monica and John have made this trip a few times, maybe they could chair this? Might be a good event this month or next when boating could be iffy? Thinks about it folks, and lets discuss it at the next meeting. <http://rwbimini.com/> Check out their website for details.

Let's try to make some of this kind of stuff happen this year. We'll need everyone's participation to make this a very memorable year. Let's all pitch in to help.
