Our 33rd Year of Boating and Social Fun

July 2018

---

Hi Everyone:

August already and time is flying. Extreme heat and humidity as always is southern FL has been the rule. Sorry that the June and July events were cancelled due to lack of participation. So, let's get back on track in August with a raft up at Billie's Point hosted by the Deans and Adams on August 18. More info to follow.

September 15 is a trip to the Deering Estate hosted by the Casanaves. We will discuss this at the August meeting.

October brings a Chili cookoff at the Casa Roesch in Key Largo.

We still have November and December open.

On another note, Ted Newlan is still in the hospital. He has been released from oncology and is in Rehab Physical Therapy. Hoping to be coming home in the next week or so. This has been a long haul for both Ted and Dee. Please keep them in your thoughts and prayers.

Lastly, we have 5 meetings until the end of the year. Someone needs to step up to the plate to continue on for next year. I'm sure many bridge and committee chairs are ready to be replaced as well. Please put you thinking caps on so this club will continue. We all enjoy each other's company, I would hate to see us fold.

Until the August 6 meeting,

Smooth Waters,  
Sharon
