## **Commodore's Comments**

To All HYC members:

Welcome to 2011-- I am looking forward to a wonderful new year with the club. As Commodore for another year, I feel that my most urgent duty is to find a new Commodore for 2012, so if anyone is interested--please let me know! We have a lot of events planned, and it looks like we will have a lot of fun.

I would like to thank Larry and Sharon for an excellent Change of Watch. I'm sure all who attended had a great evening. Bill Z. has put together some very nice photos of the party. They are posted on the website and if you haven't already done so --check them out.

I look forward to seeing you at the meeting.

Commodore Dave

## **Editor's Note**

Because of our annual Change of Watch event, there was no monthly Club meeting during January. Thus, there are no Meeting minutes or Treasurer's report in this Newsletter.

This is the last Newsletter that will be sent to the 2010 mailing list. Prior to next month's edition I will be updating the list to reflect only those who are members for 2011. So, if you have not yet paid your dues for 2011, please do so asap.

## **February Meeting Guest Speakers**

Members of the Biscayne National Park staff will be attending our February Club meeting to update us on the status of the Park's Marker and Bouy Plan. The original Plan contained provisions which appeared to limit public access to popular areas in the Park and thus raised significant public objections. Park Superintendant Mark Lewis stated that the Plan would be revised to clarify those concerns and his staff is now prepared to explain the revised Plan. This Plan has a direct impact on anyone who boats in Biscayne Bay and thus you are urged to attend this meeting and hopefully have your questions/concerns addressed. In order to accommodate this presentation, our meeting will begin 30 minutes early, at 7 PM .

## **Club Rosters**

Sandy is already busy working on the Club Roster/Directory for 2011. If there have been any changes to your information (address, phone nr, boat name, etc) please let her know so that the roster will be as accurate as possible.
