Our 29th Year of Boating Fun

Commodore Peter Dean

To all HYC Members and Friends:

The Commodores Ball was a terrific event and it was great to see some new faces there. Hopefully, we will have some new members soon. We want to give the Members that help put this event together a Big “thank-you” for coordinating everything. I know Dave was really glad to turn the reins over to me and I will do my best to make it another great year.

The next event is Dave and Ana’s Wake-up, Drink-up or Shut-up Event. This is another annual tradition that if you don’t make it, well that’s your fault. It will be held at the Homestead pavilion and time and date will be decided at the next meeting. If you do not attend, you will receive an email with the info.

Speaking of meetings, the next one will be at the Whistle Stop on Feb 4th. Please respond with your dinner choices when you get the email. We will be covering the upcoming events and I look forward to some volunteers stepping up to the plate. Without mentioning names, several folks have said they would be willing to do an event.

From the New Newsletter Editor:

I am not sure how this will turn out but here goes... Sharon and I hope everyone had a great time at Change of Watch. Having it at Keys Gate was a great venue for us. Thanks to Jimmy Accursio from Capri for providing another great function at a new venue. 35 members and guests attended this event. I have just put the pictures taken by Sandy and Bill Zinn up on the website for your perusal:

For those of us who have boats, The South Dade News Leader reports that Elliot Key has begun a Repair Project to the Marina and Docks along with repairs to the Ocean Side Board Walk. They expect this project to be done by early summer. They also will be repairing the Board Walk at Biscayne National Park visitor's center. This damage was caused by unusual high tides and waves from Hurricane Sandy in 2012. You can visit www.nps.gov/bisc for more information.
