Hello Members:

This is my first Newsletter of the New Year. Thank you for putting your trust in me to carry this group thru another year.

I have planned a busy schedule and hope we will have good attendance for all outings.

We will discuss this further at the next **Meeting, Tuesday Feb 2, 2016 at the Whistle Stop at 7 PM.**

Reminder: they do not have liquor license, so if you want some adult beverage you must bring your own.

Our first event will be on **Saturday Feb 20, 2016.** Hosted by Bill and Sandy Zinn, we will tour the Nike Hercules Missile Site within the Everglades National Park. This will be a morning event with lunch after. More information will be provided at the meeting.

We had a great turnout for the Change of Watch at the Capri. Almost every member was present. Good food and better companionship.

Let's all pull together and make this the best year possible.

Smooth Seas,
Sharon Roesch, Commodore
