Our 27th Year of Boating Fun

Commodore's Comments

HYC Members and Friends—

Is it hot enough yet? Just a few quick words this month--- Thanks to all for sharing with us at the "Non-Event". On behalf of Liz and myself, both a year older, we appreciate spending time with all of you, and it made for a very special day.

The next meeting is on August 6th, at the Capri--remember the price is now \$22.00. I look forward to seeing all of you there.

Commodore Dave

Editor's Notes

This will be a very slim Newsletter. Since there was no meeting or event during July, we do not have a Treasurer's report or meeting minutes or event photos.

A special thanks to Commodore Dave for inviting the Club to his "non-event" BBQ. It was certainly nice of him and Anna to invite us all to their home and I'm sure that everyone had a great time.
