Our 33rd Year of Boating and Social Fun

---

July August 2018

## Commodores Corner

Hi Everyone~

September already! Where has this year gone? It will be Christmas soon.

A big thank you to the Deans and Adams for organizing the 2 summer boating raft ups. It's always nice to be on the water for a couple of our HYC outings.

On September 15 we will be touring the Deering Estate with our hosts Chip and Claudia Casanave. Please be there by 10:00 am. The tour begins at 10:30 sharp. There is no charge for members for this tour. After the tour we will be going to lunch at Rodbenders. Everyone pays for his or her own food.

In October we will have the famous Halloween party at the Deans. This event will take place on Saturday 10/27. Get those great costumes ready. There are rumors that is may be the last one, so lets make it the best!

Nothing is planned for November. If someone wants to plan something, let me know.

December 15 will be the Chili Cook off hosted by Larry and myself at Casa Roesch Key Largo. More info to follow.

And that's it for 2018.

We will be discussing the future direction of our club at the September 10 meeting. Our attendance has been low the last couple of meetings. I understand that summer activities often interfere with the meeting, but lets have a good group for this important discussion.

We just want to toss around some ideas to possibly become a more relaxed, not so formal club. Nothing needs to be decided at this time, but lets get some ideas rolling.

Ted Newlan is home from the hospital and doing well. YAY!

Smooth Waters,

Sharon Roesch  
Commodore

### **Minutes of the August 6, 2018 Meeting**

Commodore Sharon Roesch called the meeting to order at 7:10 pm.

Minutes were accepted as they appeared in the previous Newsletter by Peter Dean and seconded by Larry Roesch.

Treasurer's report given by Claudia Casanave: Beginning Balance on 1 June was \$3122.79 and ending balance on 31 July was \$3122.79. Details of the easy math appear elsewhere in this newsletter.

Thanks again to Dee Riley for setting up the May cruise and a big thanks to Annie Kokenge for coordinating the royal wedding party.

UPCOMING:

**OUR NEXT MEETING WILL BE MONDAY, SEPTEMBER 10. same place, same time.**

August 18: Raft Up at Billy's Point hosted by Peter, Teresa, John & Monica. Peter assures everyone there will be buns for the dogs and brats that the club is providing. BYOB and a dish to share. Peter will be sending out an email with more details.

September 15: Deering Estate brought to you by Claudia & Chip Casanave.

The tour of the house starts at 10:30, lasts about an hour and then you can look around the grounds and house some more. Then it is off to Rodbenders for lunch. The Club is paying for members to tour the estate but guests will be charged \$15.00. As for lunch you order, you pay.

October 27: Halloween is back! Peter says (well he said he was told) there will be a Halloween Party at the Dean's! More details in September and October – Start planning those costumes now!

November is still open and up for grabs by any Club member/s.

December15: Casa Roesch is hosting a Chili Cook-off. It may coincide with Key Largo Boat Parade – What a deal if it does – two for the price of one! (Larry will check on the date) More information on this event soon.

Membership – Buz (& Claire) were absent.

Newsletter (Larry Roesch) and Roster (Sandy Zinn): All's good with both – Keep reading the Newsletter and keep your info up to date!

Meeting Coordinator: Linda Wood was under the weather and not present.

Sunshine: Teresa Dean – Ted Newlan has been discharged from the Cancer Treatment Center and is now in the Rehab Center. He has been doing so well that they are releasing him to Dee! He doesn't think he is doing that well but everyone else says he is walking and moving much better –

SORRY TED, THE VOTE IS THAT YOU'RE BETTER! We all hope to see you (and Dee) soon! Our Sunshine Lady Teresa's wrist is healed and she is able to do the "princess wave". Yeah!!  
NEW BUSINESS:

Chip Casanave stated that we need to think about and have a discussion about a new direction for the Club if no one is willing to "step up to the plate" and take over the reigns of the Club. – What we want the Club to be and then how to make that happen. It was decided to have an open discussion at the next meeting to plan for the future. Do we want this to be more of a social club or a boating club? It was suggested that we look at what we have done and may want to do again, or haven't done and can do.

But to make this happen we NEED to have a better turn out of club members (June meeting, 11 members and August 15). So it's OUR club let's all show up and decide.

**THE NEXT MEETING WILL BE MONDAY, SEPTEMBER 10th**

50/50 was won by Chip (\$20).

Meeting adjourned at 7:40 pm

Respectfully submitted by Sandy Zinn
