at the Redland Hotel in Homestead**

Commodore's Comments

To all HYC Members and Friends--

The 2nd June event, "Martha's" Raft-up was a blast, as usual the food and drinks were terrific, the weather was great, the water was better, and we had three boats--almost all at the same time. Wow--a boating event for the yacht club! With more than 50% of the boats in the club. We are capable of surprising ourselves sometimes.

And lets not forget the 1st June event---A very special thank-you to Mario and Sonia for inviting us to their home, and providing a wonderful meal, and another truly great time.

So lets go-for-broke and talk a little about July---traditionally a month when "Nothing" happens. I found it amazing that when nobody wanted to do anything every July, like have a meeting or an event, most all of you had no trouble attending a "non-event" at my house for some ribs. So lets get off of our butts, have a meeting, and have an event---cause I ain't cooking no ribs this year. The July Meeting will be at the Whistle Stop on Tuesday, July 2nd. Hope to see you there. I will be trying to finalize the details for an event, planned for July 20th, that will be a fishing trip on a party boat out of Robbies Marina at MM 77. As I had mentioned previously the cost will be \$25.00 per person fishing, and if you don't fish you can hang-out, or meet up with us later for food and drinks at the bar/restaurant. Bring your money and some enthusiasm and lets have another good time. I will be collecting at the meeting. Thank you all,

Dave G.

Editor's Notes

Thanks to Donna Pacheco for providing some of the photos that she took at our event in the Keys. Some photos are included later in this newsletter. Sorry, but I don't have any photos from the recent raft-up.

At almost every meeting Commodore Dave, when he isn't complaining about having to cook ribs for us, makes some comment about who wants to be Commodore next year. Most of us just chuckle, on the assumption that he will take the job again next year. Well let me assure you that this is my last year as Editor of the Newsletter. So, give some thought to volunteering for the job. In fact if you would like to start before Jan 2014, I will be happy to turn it over to you.

Minutes of HYC June 2013 Meeting

Meeting called to order by Cmdr. Dave at 7:50 p.m. after eating a very nice meal provided by The Whistle Stop, our new meeting place. First order of business was to approve the minutes from last month's meeting as they appeared in the newsletter.

Cmdr. Dave and his wife Anna thanked everyone for the cards and prayers after his dad's death.

Membership: no new members.

Sunshine Committee: Charlene Powell reports that everyone is well. She also reminded those members present of the death of Bob Harden who used to be a member.

Treasurer's Report: Given by Dee Riley...beginning balance \$3,980.15, ending balance \$3,998.15. Full report appears elsewhere in newsletter.

Everyone thanked Sonia and Mario Espineira for a wonderful event at their home in the Keys. As usual, food was great....music (Larry as D.J.) great....energizer bunny award for dancing went to Karen Sutton and her sister with Mario as a close second and we all had a great time.

Dave has graciously taken on July's event as it was to be Stan and Joy's to plan and they are no longer with us....He has tentatively scheduled a fishing trip from Robbie's Marina at MM 77.

The restaurant there will offer us a 10% discount and there are shops for browsing if fishing is not your thing. We decided to hold a meeting on July 2nd where you can commit or not to the fishing trip which is scheduled for July 20th.

June 22 is the date for our next raft-up....Dave, Richard Mesa and Vice Cmdr. Peter Dean have volunteered their boats. Call Dave for any further questions you may have. If the weather doesn't hold, we'll have a dock party.

Liz and Billy Phillips have August and have planned a shipwreck party for the 17th.

50/50 of \$27.00 won by Cindy Burell.

Meeting adjourned at 8:20 p.m.

Respectfully submitted, Claire Strandhagen, Secretary
