MINUTES OF GENERAL MEETING
MAY 1, 2006**

- Motion to accept Minutes as published was made by Ted Newland and seconded by Larry Roesch.
- Members were reminded that information on the Club was on the Website

Marina Report:

Steve advised the Pump Out was already set up. The Bait and Tackle Shop now open with Live Bait, Food, and Drinks. No liquor or tobacco license yet. Grand Opening will be Memorial Day weekend. On May 24, a Hurricane Preparation Workshop will be held at Blackpoint. Members wanting to participate must call to reserve a place. There will be at least four speakers and a discounted dinner. Next month the park will distribute a brochure on Hurricane Preparedness. Members were asked to be careful and not enter the Marina immediately after a Hurricane until the Park Manager had completed an assessment as this could avoid accidents to marina patrons. Beepers are not yet available. As soon as Steve has them, he will provide the telephone numbers and the code to call so that someone can come to the gate. Anna Giuliani asked Steve to provide her with the number so that it can be included in the Newsletter.

Vice Commodore George Meyer thanked Bob, Lois and Aida as well as all attending for a terrific event at the Anchorage/Gilbert's.

Guests: Mr. & Mrs. Billy Phillips and Ms. Debbie Boydston were welcomed.

Membership: Dwayne Powell was not in attendance - cruising

Park Liaison: Buzz Strandhagen was not in attendance - cruising

Club Roster: Sandy Zinn was not in attendance so there was nothing new to report

Ship's Store: Everything that was available in the Ship's store was on display on the table. Members should speak with Elizabeth if they needed anything, or had suggestions.

Sunshine Committee: Jan Mayer advised Jerry Burgess was not doing very well at this time.

Phone Committee: Please let Susie Snipes know if you do not have an e-mail address so she can give you a call, and remember to return her phone calls/e-mails. Susie informed that Jan Meyer had a birthday a few days ago and she wishes a Happy Birthday by all.

Web Master: Larry Roesch advised he would put a picture of George Mayer in the Newsletter. He would also put information on the next event on the front page of the Web Site so members can see all the upcoming events.

Upcoming events:

- The next event will be a cruise to Bahia Mar Marina in Ft. Lauderdale the weekend of May 6, 2006 (Next week). Jan Meyer advised that they were giving up their slip and she was canceling unless someone else wanted it. Art and Maria Muina were sponsoring this event, and courtesy of the club, there would be dinner on the dock (Arroz con pollo) on Saturday evening and breakfast on Sunday morning.
- Memorial Day cruise is sponsored by Bill and Linda Clemons. Since only two boats indicated they would participate, that cruise has been cancelled. However, they plan to host a raft up at Elliott Key and provide hamburgers and hotdogs provided by the Club. Members should let Bill or Linda know if they are participating so that adequate supplies can be purchased.
- There was no club function planned for June or July. However, there is a Fishing Tournament in June at Black Point Marina. See Steve if you are interested or contact Black Point Marina directly.

Larry Roesch indicated that if there was enough of an interest, a Captains Class might be arranged. The class normally took only 4 nights and the cost is somewhere around \$400.00. This license helps with Boat Insurance and normally good for 5 years. Classes are normally given at local high schools and ending with a test. Larry will get more details to share.

Larry Roesch also thanked Anna Giuliani for the wonderful job she is doing with the Newsletter. Anna thanked everyone, advising that if they had articles, ads etc. to put in the newsletter, she would have to receive them early in the month because the newsletter normally goes out 2 weeks before the next meeting.

50/50: The 50/50 was \$110.00.

There being no other business to discuss, a motion was made by Ted Newlan and seconded George McDermot to adjourn. Motion carried.

Respectfully
Annabelle McDermot
Secretary

Bird Flu hit a Florida Trailer Park ...

THE CHRISTIAN SCIENCE MONITOR *Bennett*

Moment of the day

OLD FRIENDS

Two elderly ladies had been friends for many decades. Over the years, they had shared all kinds of activities and adventures. Lately, their activities had been limited to meeting a few times a week to play cards. One day, they were playing cards when one looked at the other and said, "Now don't get mad at me. I know we've been friends for a long time .but I just can't think of your name! I've thought and thought, but I can't remember it. Please tell me what your name is." Her friend glared at her. For at least three minutes, she just stared and glared at her. Finally, she said, "How soon do you need to know?"

Remember that the HYC meets every first Monday of each Month at the Redland County Club from 6:30 PM until 9:00 PM. The Redland Country Club is located at 24451 Krome Avenue (177th Avenue) in Homestead, FL, Telephone: 305.247.8503.

You should meet and greet new members and speak to all members in a courteous manner. Please welcome everyone to be part of the club.

"I CAN HEAR YOU JUST FINE!"

Three retirees, each with a hearing loss, were playing golf one fine March day. One remarked to the other, "Windy, isn't it?" "No," the second man replied, "it's Thursday." And the third man chimed in, "So am I. Let's have a beer."
