Our 33rd Year of Boating and Social Fun

May 2018

Hi everyone. Summer is in full swing. Heat, humidity, storms and hopefully some good boating weather.

I want to thank Dee Riley for organizing a fun and relaxing cruise in the Bahamas. There were 12 members participating and we all had a great time. There was a special viewing of The Royal Wedding in the Casino Bar at 7 am. We had our hats and pearls and one member wore his white bow tie. We met for dinner each evening to share stories of the day. Thanks again Dee. So sorry you couldn't join us, but we did toast you on the last night.

Coming up June 9 is a pool and yard game party at the Burrell's home. Everyone bring an appetizer or dessert and your drinks. The club will provide water. A BBQ meal will be served. No Charge to members. \$5.00 per guest. PLEASE let Cindy know if you are coming or not. A flyer with all info is elsewhere in this newsletter.

In June and July, we will have raft ups at Billy's Point. They will be on the 3rd Saturday of each month. Hosted by Deans and Adams. Watch for more info to come.

Deering Estate will be our destination on September 15 hosted by the Casanaves. Lunch after.

Chili cook off in October at Casa Roesch Key Largo.

We still have openings for November and December.

I will not be at the June 4 meeting. Dave Giuliani will be in charge.

Reminder 1 – There will be no meeting in July as always

Reminder 2 – We are looking for a new Commodore next year!

Until then, Smooth Waters, Sharon Roesch Commodore

MAY 2018 MINUTES:

The meeting was called to order on May 7, 2018 by Commodore Sharon Roesch at 7:00 pm and the minutes of the last meeting were approved as written by Chip and seconded by Neil.

Treasurer's Report by Claudia Casanaves: Beginning balance as of 1 April: \$3281.44 and an ending balance on 30 April: \$3121.44. A full report is in this newsletter.

All is reported good with the Newsletter (Larry Roesch), Meeting Coordinator (Linda Wood) and Roster (Sandy Zinn).

Membership: Buz was not present. A report was given by Dave Guiliani that the Marina Social scheduled for this month WILL NOT be held. According to Josiel it has been postponed until June 16 or later.

Sunshine: Claudia was filling in for Teresa Dean, as she is "under the weather" with a broken wrist in 2 places due to a fall about 10 days ago. She is back to teaching school today. A card was sent to her by Commodore Sharon on behalf of the club.

Ted Ficken: Linda went to see him but could not find him. Seems he was "out & about" at the Palace.

Ted Newlan: Larry filled us in. He is currently in the Oncology Wing for another treatment and complaining about how cold it is since they fixed the air conditioning – Thinks they are trying to "freeze him out"! Doctors say the treatment he is getting now is extra preventative. He will be moving back to Rehab soon. He is working hard to get out of there – walked about 60 feet last week.

!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!WAY TO GO TED!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

As he is back and forth it is best to call/text Dee for his location.

Kudos to Dave for the very interesting and informative tour of the Marine Resources complex and a very filling lunch at The Hideout restaurant.

FYI: The shark pictured in last month's newsletter is a "leftover" prop from the 1965 James Bond movie Thunderball, parts of which were filmed there.
