Our 29th Year of Boating Fun

November 2014

Commodore's Corner:

Our club members continue to raise the bar for outstanding events and the turkeys at Casa Roesch on Nov 22 was another great example. We had a huge turnout and more than enough food. I personally want to thank Larry and Sharon for hosting this traditional event again. More kudos goes to the members and guests for another great job with sides, deserts and appetizers.

December 2 will be our last meeting of the year and I urge all members to try and attend. We have several items on the agenda to discuss including the Bridge, December events, next year events and the Change of Watch or Commodore's Ball, whatever it ends up being called.

Speaking of meetings, the next one will be at the Whistle Stop on December 2nd. Social in the bar starts around 6:30 and dinner around 7:00 with meeting to follow. Please respond with your dinner choices when you get the email.

Most all of the gang was here! If you look real close right behind Peter's foot you will see a piece of rope around Dee's Foot. We all know what happened next, after the photo shoot was over! I still await the phone call from the attorney handling The Case of the mysterious rope. Sharon and I are truly glad everyone had a great time, and no serious injuries occurred!
